THE 3 R'S... 'REVIEW, REFLECT AND REPOSE'

This summer, Karen Pearce will offer a professional development residential retreat for AMI 3-6 diploma holders.

This residential retreat will help deepen your understanding of Montessori pedagogy and practice.

A moment to pause; review, reflect and take time to repose on our work and service with the children in our communities.

Led by Karen Pearce, co-founder of The Montessori Place and Director of Pedagogy, the retreat will be held at the site of the first Montessori adolescent programme in the UK.
